

# Musikhistoriens Milstolpar Vinyl & CD

**Detta är en sammansättning av de skivor som på något sätt har varit banbrytande i sin tid. Det kan vara sound, låtar, image o.s.v. Som har varit extraordinärt.**

**Listan är sammansatt av Ca 10 musiker/musikpedagoger**

Denna lista skall inte på något sätt ses som komplett. Säkert har vi glömt några, säkert har vi med plattor som många inte skulle kalla milstolpar. Mycket handlar också om tycke och smak. Listan speglar den afro-amerikanska musiktraditionen och dess förgreningar. Sett ur ett svenskt perspektiv kanske många saknar svenska skivor som påverkat oss i Sverige. Listan saknar också mycket från det senaste decenniet av den anledningen att det idag (så nära i tiden) är svårt att avgöra om skivan kommer att bli milstolpe eller inte. De artister där albumtitel saknas har vi ansett att det finns flera album som har haft stort inflytande alternativt artisten själv.

## Artist

ABBA  
AC/DC  
Aerosmith  
Airplay  
Al Jarreau  
Aretha Franklin  
BB King  
Beach Boys  
Beatles  
BeeGees
